## IMPORTANT INFORMATION

The objectives of the District Development Model are to:

1. **Coordinate** a government response to challenges of poverty, unemployment and inequality particularly amongst women, youth and people living with disabilities.
2. **Ensure** inclusivity by gender budgeting based on the needs and aspirations of our people and communities at a local level.
3. **Narrow the distance** between people and government by strengthening the coordination role and capacities at the District and City levels.
4. **Foster** a practical intergovernmental relations mechanism to plan, budget and implement jointly in order to provide a coherent government for the people in the Republic; (solve silo's, duplication and fragmentation) maximise impact and align plans and resources at our disposal through the development of "One District, One Plan and One Budget".
5. **Build** government capacity to support to municipalities.
6. **Strengthen** monitoring and evaluation at district and local levels.
7. **Implement** a balanced approach towards development between urban and rural areas.
8. **Exercise oversight** over budgets and projects in an accountable and transparent manner.
